REFRIGERATION **WHEN YOU NEED IT**, WHERE YOU NEED IT

Well, I have said it before and I will say it again, what a year it has been!

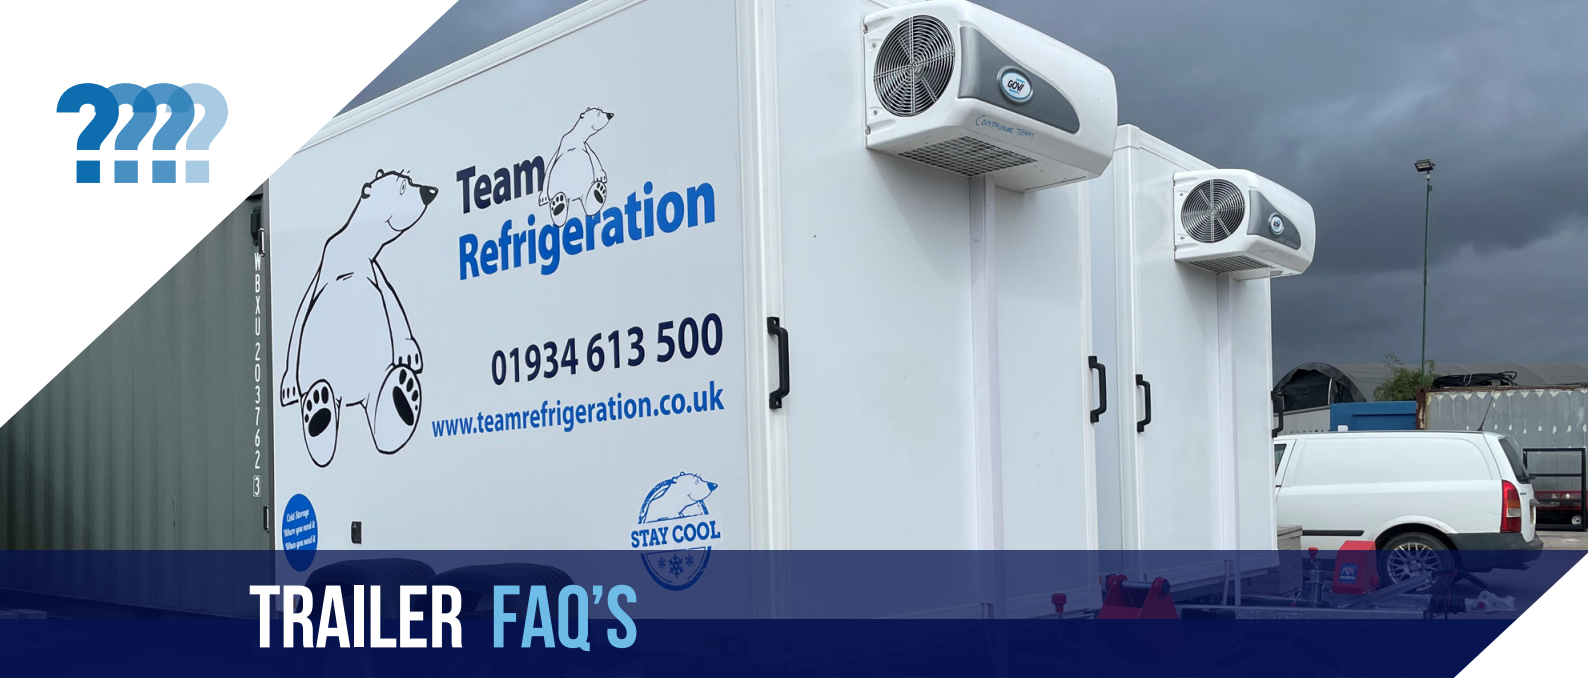

With the world being a new kind of normal, we have had an incredibly busy summer.

The team here is ever growing, as well as our fleet of equipment. Our customers are still really happy, so happy in fact that we have shared some of their fantastic reviews in this edition. We are now busy planning for 2023 to improve our customer service and are working on making sure we have units available, year round, even in the busiest of times.

TRAILER FAQ'S

Where do you deliver?

We can supply our trailers to anywhere in the Mainland UK (Usually within 2-4 hours).

What power supply do I need?

The trailers are powered by a 16 amp, 240 volt single phase cable, supplied with a 13 amp adapter, so it can be plugged into a standard 3 pin socket. We supply 12 metres of cable and can supply more if required.

Yes, when the trailer is delivered our driver secures the unit by lowering stabilisation legs to stop it from moving. They will also place locks on both the tow hitch and one of the wheels. There is also a lock on the door to keep the contents safe.

What happens if I need the trailer longer than originally planned?

Towards the end of your initial hire period, we will contact you to check you are ready to off hire the unit. Just let us know if you need to extend the hire and you can keep it for as long as required.

MEET THE TEAM

Tom Holloway Team Leader

As we look forward to 2023, we welcome another member to Team Refrigeration. Tom joined our ever-growing team in November in the role of Team Leader, helping our customers with all their mobile refrigeration needs and leading our fantastic team at HQ. Tom has swapped a career in bricks and mortar for one in trailers and containers and couldn't be happier to have joined Coolio and the team. When not at work you'll find Tom on his motorbike – but not in this chilled weather! - or on a hockey pitch.

I hope you all have a fantastic festive period and New Year with your friends and families. Eat, drink and be merry, you have earned it... Oh and don't forget to relax. Thank you again for a great year and here's to doing it all again in 2023!
