

THE QUARTERLY CHILL

REFRIGERATION **WHEN YOU NEED IT**, WHERE YOU NEED IT

After a hugely successful 2022, we are delighted to announce that we will be expanding our fleet and opening a brand-new depot! The new depot will be situated near Milton Keynes and will be starting off with 15 sparkling new trailers.

With this new venture we will be able to give our customers better service than ever before! So, I ask you to wish us luck for our new challenge and, in return, we promise to keep working hard to meet all your refrigerated needs.

SUMMER IS JUST AROUND THE CORNER

With the Spring starting, this means that Summer is just around the corner.

Last year, a few of Coolio's super-duper organised friends booked in early for their events. So, why not do the same again this year? After all, if you book in early, you can put your 'paws' up and rest assured that the trailer, cold room or container will be with you for the dates you require.

Gympanzees are an amazing charity that support young people with disabilities and their families.

Gympanzees are aiming to raise £2.2 million for Project Home to give them a permanent home all year round. They currently run at pop up venues throughout the school holidays.

As a company, we are committed to helping Gympanzees achieve their goals. Last year, we completed the 3 Peaks Challenge, ran marathons, and became butlers for the day along with other activities and events raising a total of £5740! This year will be no different, as the braver few of us will be doing a skydive and Rachel, our Marketing Leader will be running an ULTRA marathon from Castle Cary to Glastonbury! With other events in the pipeline, I am sure with the support from all of Coolio's friends, we will be able to help Gympanzees continue with the great work they do.

MEET THE TEAM

Anna Jenkins Office Administrator

Joining the team to support with the expansion of the business, Anna brings with her 10 years of administrative experience in varying roles. When in the office Anna is always smiling and keeping the team laughing. In Anna's spare time she loves a girly day out shopping with her daughter and long family walks with 'Frank the tank', her Old Tyme Bulldog.

With Ricky now taking over as Managing Director of Container Team – parent company of Team Refrigeration and The Space Program - there's a new face on the Quarterly Chill!

With the longest winter in years firmly behind us (hopefully!) an ever-growing Team Refrigeration are keeping busy and looking forward to helping you keep cool on the longer, brighter and warmer days ahead!
